

The 2024 SCORES Cup will be held at Burnaby Lake Sports Complex West (Field #1 and #3) on Saturday, June 15, 2024.

Event Overview

Each year, Canada SCORES hosts a charity soccer tournament for over 300 participants from corporate and independent teams looking to play soccer for a great cause, participate in valuable team building, and make a difference in their communities. All funds raised will support Canada SCORES programming to enable vulnerable youth from under-resourced communities, lead healthy lives, become engaged students, and gain the confidence and character to make a difference in the world.

About Canada SCORES

Canada SCORES is a registered charity with a mission to inspire youth to lead healthy lives, be engaged students, and have the confidence and character to make a difference in the world. Our unique after-school program embraces the whole child by combining soccer, poetry, and community projects into one comprehensive program that emphasizes physical activity, health and wellness, self-expression, academic engagement, and community involvement.

Our Impact (2022-2023 School Year)

- 334 children served, 13 schools, 21 programs, 1000 after-school sessions!
 - 34% identified as female, 64% identified as male, 2% prefer not to say
- 90% of our parents/guardians agreed that because of participating in the SCORES program, their child likes going to school more
- 88% of our Poet-Athletes showed improvement in their writing

Canada Scores is a great program that my child loves to attend. My son is always excited to go to school on Canada Scores days, it surprised me that he liked the writing time and conversations to plan community work and not only the soccer time, which was the main reason he wanted to go to the program!
